Dear Mr. Reeves,

Thank you for renewing your 2019 membership and continuing to openly commit to high integrity.

Ministries and churches are applying for ECFA accreditation at a record pace. This is because of a growing desire of Christ-centered organizations to model high principles of governance, finances, and stewardship that are far beyond what the law requires.

ECFA accreditation enhances trust for your givers, in turn increasing generosity which provides more resources to help fulfill the Great Commission. You have chosen verifiable accountability, along with over 2,300 other ministries. This is a key theme that Jesus taught the disciples – and us.

May God richly bless your ministry!

Dan Busby  
President

P.S. 2019 is ECFA's 40th Anniversary! We are hosting 8 Excellence in Governance Forums. These FREE one-day forums are designed for you and your board members. For more information and to register for one in your city, go to [ECFA.org/GovernanceForums](http://ECFA.org/GovernanceForums).
